Virtual Time Out

Vendor Invitation and Registration

An excellent marketing opportunity. The Time Out Workshop provides continuing education to Social Workers, Discharge Planners, Case Managers and others serving elders and people with disabilities. The workshop is historically filled to capacity with 200 professionals. A popular objective of the one-day workshop is that it offers a low cost means of obtaining needed CEUs.

Like everyone else, Covid-19 has caused us to change course. For the first time in 20 years, we will be offering the Time Out Workshop ONLINE. One benefit is that attendance will not be capped at 200. The switch to an online event has caused us adjust our sponsorship levels and benefits of each level.
